

Privacy Policy for Bulls and Cows Puzzle

Effective Date: April 12, 2025

Last Updated: April 12, 2025

This Privacy Policy outlines how Bulls and Cows Puzzle ("we", "our", or "us") collects, uses, and protects your personal information when you use our mobile application available on iOS.

1. Information We Collect

We do not collect personally identifiable information. However, we may collect non-personal data for analytics and advertising purposes, including:

- Game usage data (e.g., level completions, in-app purchase behavior)
- Device information (e.g., device type, operating system)
- IP address (used anonymously for analytics and advertising)
- Interactions with rewarded advertisements

2. How We Use the Information

The collected data is used to: [Unity Discussions+3Unity+3docs.unity3d.com+3](#)

- Enhance game performance and features [Apple Developer](#)
- Analyze player behavior to improve gameplay
- Display relevant rewarded ads via Unity Ads
- Monitor and improve in-app purchase functionality [Unity Discussions+2YouTube+2Unity+2](#)

3. Third-Party Services

We utilize the following third-party services:

- **Unity Ads:** For displaying rewarded advertisements.
- **Unity Analytics:** For collecting anonymous gameplay and purchase data.

These services may collect and use information in accordance with their own privacy policies.

4. Children's Privacy

The game is suitable for all ages. We do not knowingly collect personal information from children under the age of 13.

5. Data Retention

Analytics data is retained as long as necessary for operational purposes. No personal data is stored.

6. Your Rights

As a user, you have the right to:

- Opt out of personalized ads via your device settings.
- Request the removal of analytics data related to your device (note: this data is anonymized).

To make such a request, contact us at **steamcouriers@gmail.com**.

7. Changes to This Policy

We may update this Privacy Policy from time to time. Any changes will be posted within the app or on our website if applicable.
